Dear face that holds so sweet a smile for me
Were you not mine, how dark this world would be
I know no light above that could replace
Love's radiant sunshine in your lovely face.

Give me a smile, the love-light in your eyes
Life could not hold a sweeter paradise
Give me the right to love you all the while
My world forever, the sunshine of your smile.

Shadows may fall across the land and sea
Sunshine from all the world may hidden be
But I shall see no clouds across the sun
Your smile shall light my life till life is done.

Give me a smile, the love-light in your eyes
Life could not hold a sweeter paradise
Give me the right to love you all the while
My world forever, the sunshine of your smile
My world forever, the sunshine of your smile
