One puppy two Puppy on a Bed  
The littlest one has fur that's red

I'm kind of new  
So I'll stick with you  
I like new places  
Seeing lots of new faces  
And before this day's through  
We'll make good friends like you

Three puppy four puppy five puppy six  
Clifford is up to brand new tricks

I might be small  
But I'm on the ball  
I might be little  
I might get stuck in the middle  
But there's one thing we know  
Love makes little things grow

Yea,love makes little things grow
