Tell her you need her
Tell her you love her
Don't let another day go by
Before you do

Or you'll be one boy too late
To hold her tight
One boy too late
To hold her every night
And kiss her in the moonlight

One boy too late for happiness
One boy who'll never
Hear her answer yes
And never know her sweet caress

Tell her you need her
Tell her you love her
Don't let another day go by
Before you do

Or you'll be one boy too late
I'm warning you
One boy who didn't
Whisper I love you

So tell her now, tell her now
Tell her now before I do

So tell her now, tell her now
Tell her now before I do

One boy too late
One boy too late...
