If only I could believe that I do deserve
Something this good
Then I could relax and be myself
Cause if I fall
Any harder I would break in two
Wish the other half was you.

And no way!
Sometimes I cannot believe my own eyes
Your Beautiful
Like nothing that I've ever seen in this life
And only Once
Can anyone touch you so deep inside
Like you do
Like you do
Like you do
For you I pledge that anything you want
Is yours
That I will be the one who loves you
More and more
When you laugh I'll cherish your breath
On my face
When you cry I'll taste your tears
That fall like rain

And no way!
Sometimes I cannot believe my own eyes
Your Beautiful
Like nothing that I've ever seen in this life
And only Once
Can anyone touch you so deep inside
Like you do
Like you do
Like you do

From that first moment that I felt like I
Was losing my self control
And thinking that I'd like to try to let myself go

And No way!
Sometimes I cannot believe my own eyes
Your Beautiful

Like nothing that I've ever seen in this life
And only Once Can anyone touch you so deep inside
Like you do
Like you do
Like you do

For you I pledge that anything you want
Is yours.
That I Will be the One
Who loves you more and more
