I was born by the river in a little old tent  
Just like that river I've been running ever since  
It's been a long time, long time coming  
But a change is gonna come, oh, yes, it will

It's been too hard living but I'm afraid to die  
'Cause now I know what's up there beyond that blue sky  
It's been a long time, long time coming  
But a change is gonna come, oh, yes it will

I had to go downtown to see my brother, my dear  
brother  
I asked my brother, "Won't you help me  
please?"  
He turned me down, he turned me down  
So I went to see my mother, my dear mother  
I said, "Mother, mother, I'm down on my  
knees"

There's been times when I thought I couldn't last too  
long  
But now I think I'm able, I'm able to carry on  
It's been a long time, long time coming  
But a change is gonna come  
It's been a long, long time coming  
But a change is gonna come
