Backbeat the word is on the street
That the fire in your heart is out
I'm sure you've heard it all before
But you never really had a doubt
I don't believe that anybody feels
The way I do about you...

And all the roads that lead us there are winding
And all the lights that light the way are blinding
There are many things that I would
Like to say to you
But I don't know how

maybe...
You're gonna be the one that saves me
And after all
You're my wonderwall

I don't believe that anybody feels
The way I do about you...

And all the roads that lead us there are winding
And all the lights that light the way are blinding
There are many things that I would
Like to say to you
But I don't know how

maybe...
You're gonna be the one that saves me
And after all
You're my wonderwall
