Chains hang from the seat your gently placed upon  
And I can't wait, to see what's going on  
Inside that pretty little head of yours  
What do I look like  
In that pretty little head of yours

I'm a sucker for a good time  
I'm sucker for your green eyes  
I'm a sucker for everything you were last night  
I can see this going far  
But I can't see far enough  
I won't say I'm in love

Your make up slightly smudged  
Never kept you from getting your way  
You know I got this thing with word  
But baby please don't say  
This is getting too cliché  
Cause I've never felt this way

I'll send a picture to your place  
Just in case  
Maybe someday you forget my face  
But baby it's too late
