[Mike Jones - Talking]

What's my muthafuckin' name

Mike Jones, who? - Mike Jones, who?

Mike Jones, best rapper alive

SwishaHouse, SwishaBlast

Yeah!

On my woodgrain I'm grippin', purple jelly I'm sippin'  
84 straight out the box didn't have time for the dippin'  
New pirelli's I'm flippin', workin' hard in the kitchen  
Movin', 8 one on butter just to make me a livin'  
I got, no time for chillin', I'm tryna make me a million  
So I'ma grind and put it down til' I live out my vision  
I represent SwishaHouse, I represent SwishaBlast  
Since I signed a contract I been stackin' my cash  
I put a female last 'cause they wouldn't there when I  
was, broke  
So now I'm rich them hoes get no love  
I pull up to the club, valet' my shit on dubs  
I'ma P-I-M-P, bitch I ain't no scrub
