I can't buy you no more drinks baby
My time is gettin' low
I got to go get Louis, you got to go get a new beau
Oh, go get yourself a new man
Go get a new beau
Why don't you try living on Easy Street if you can,
where the
Cold winds don't blow

Me I clearly state I am just an accident of fate
I'm a guy who's lost the way
Lost the way to Easy Street
Easy, Easy Street

Louis I guess you know I'm on the run
Back street diners and a long road
Oh Louis I guess you know I'll get you someday (I will)
And I know where you're living
It's on Easy Street
