Farewell Plymouth, your morning
Cold and grey
Is painting shadows on my thoughts
And we're bound for Norway

Joseph I know you're trusting me to see you right
And I know you can't stand the fighting
For one more night

Joseph the mud gives way to coral somewhere
And the hours of light they last and last
We'll see no hostile flag then from craft unknown
We will have grown free from sighing

Singing the dolphin through
Singing the dolphin through
Singing the dolphin through
Still waters
