Give me faith in the world  
Faith in the world, pull it away  
Give me faith in the world  
Faith in the world, pull it away

But I don't know how to love

Give me faith in the world

Give me faith in the world  
Faith in the world, with our pain, our

But I don't know how to love  
I don't know how to trust myself  
But I'll do my best to suffer with some grace

I don't know how to love  
I don't know how to trust myself  
But I'll do my best, yeah I'll do my best  
Yeah, I'll do my best to suffer with some grace
