Runnin' around the world, runnin' around the world
Tryin' to catch up to my favourite little girl
Run, run, run, run 'round the world, run, run, run, run
'round the world,

Another Saturday night and once again I'm on my own
And I'm wondering where on earth you have flown (yes
I'll be)

Runnin' around the world, runnin' around the world
Tryin' to catch up to my favourite little girl
Run, run, run, run 'round the world, run, run, run, run
'round the world,

Well I'll be taking off tomorrow 'cause I heard a good
friend say

He saw you lying on the beach in St Tropez (keep on)
Runnin' around the world, runnin' around the world
Tryin' to catch up to my favourite little girl
Run, run, run, run 'round the world, run, run, run,

I'd take the midnight train to see you again
I'd take the very next flight to be with you tonight, I'm
gonna see you tonight
Run, run, run, run 'round the world, run, run, run, run
'round the world,

We've been spending too much time in circles on this
endless ride

But I won't give up 'til I've got you by my side (I'll keep)
Runnin' around the world, runnin' around the world
Tryin' to catch up to my favourite little girl
Run, run, run, run 'round the world, run, run, run, run
'round the world,
