Lately I'm Not So Involved With This Plan
To Better The World
Sing Songs For The Klan
Mom Said You Never Can Trust Her For She's Loving
The Money Enough Just To Breathe

And I Wait For This Moment To Rise
I'm Sorry For Being The Prize
I'm Older, But I Cant Stay Here With You...
Dear Mom,
I'm Losing But I Don't Expect To Win
And I Can't Stay Here With You

I'm Counting Sheep Till I'm Older...
I'm Counting sheep Till I'm Grey

Lately My Eyes Are Heavy With Fear
Lying Has Traded And I Disappear
Mom Said You Never Can Trust Her For She's Loving
The Money Enough Just To Breathe

And I Wait For This Moment To Rise
I'm Sorry For Being The Prize
I'm Older, But I Cant Stay Here With You...
Dear Mom,
I'm Losing But I Don't Expect To Win
And I Can't Stay Here With You

I'm Counting Sheep Till I'm Older...
I'm Counting sheep Till I'm Grey
