one moment and its late  
and I'm being honest when I say  
that I cant see so straight

2 minutes and its done  
past memories are fun  
dad is teaching math  
I'm crying at the sum  
dividing all his love  
between a daughter and his son  
present day memories are fallen down and down  
and whether its true  
when racism eludes  
the slanting of the eyes  
and they don't bother me anyways  
I'm just on a holiday  
driving my family...insane

gave 3rds on your life  
your shooting up again  
a message read best live show I cant wait for more  
a meeting in the back  
it feels like an attack  
from friends who meant a lot  
I wish we hadn't fought  
they are charging me again  
for mimicking the sounds  
of martial arts they saw  
at a movie at the town  
and whether its true  
when racism eludes  
the slanting of the eyes  
they don't bother me anyways  
I'm just on a holiday  
driving my family insane

one true haircut + makeup  
keep coming back to me  
I'm just thinking of myself again..

one more verse to go

I'll leave here for the show  
serenade a song  
to a girl that I don't know  
I'm thinking hard again  
lying by your side  
watching all your strength  
and leaving you to die  
the first girl that I loved  
a heart a broke in two  
present day memories are are fallen down and done

and whether its true  
when racism eludes  
the slanting of the eyes  
they don't bother me anyways  
I'm just on a holiday  
driving my family insane
