feat. Sammy Hundley

Them that don't know us, they don't have a clue
How to get Texas outa' me and you
They tell us that we're simple, they tell us that we're
crude
The way that we say Howdy or call each other Dude
But once you've been to Texas you begin to understand
It's not about the man in Texas, it's the Texas in the
man

(You hear what I'm sayin')
(I sure do. Listen up)

Well the women down in Texas know how to wear their
jeans
Love their smiles and their ropers, everything in
between
We've had a lotta' lovers, we got a lotta' friends
And the party down in Texas never seems to end
Well once you've been to Texas, boy you begin to
understand
The women down in Texas love the Texas in the man

Oh yes they do

Well Lubbock, Dallas, Houston, Laredo, San Antone
Beaumont, Austin, Waco, Texas is my home
Dalhart down to Brownsville, stop off in La Grange
Orange to El Paso, Cowboys on the range

(Oh go ahead Sammy)
Once you been to Texas you begin to understand
(Tell 'em Mike)
It's not about the man in Texas, it's Texas in the Man
Texas in the man
Texas in the man
Texas
(You done messed with Texas boy)
Texas
(What was that?)
Texas
