#### Verse I

Way above the sky  
Above the world so high  
You've found a place  
Without a trace  
Of the things that made you cry  
And I know that you're okay  
And I know you couldn't stay  
And you'll come back to look in on us all from time to time

#### Chorus I

Angel Fly  
Go Ahead and spread your wings  
Angel Fly  
Open up your heart and sing  
Angel Fly  
Fly fly angel, fly away

#### Verse II

I know we'll meet again  
Even though I don't know when  
When we're there together  
Livin' forever  
It'll be like we were never apart  
Even though you're away so far  
I can that you're the brightest star  
And until then you'll be right here livin' in my heart

#### Chorus II

Angel Fly  
Go ahead be on your way  
Angel Fly  
To those warm and sunny days  
Angel Fly  
Fly fly angel, fly away

#### Instrumental

#### Chorus III

Angel Fly  
You made this world a better place

Angel Fly  
Fly home now you've run your race  
Angel Fly  
Dry the tears from your pretty face  
Fly fly angel, fly away  
Fly away  
Yeah  
Fly fly angel, fly away
