[Verse I]

Well, blue jean baby's got big green eyes
Make ya' smile like a Cracker Jack toy surprise
A heart that's made of solid gold
Well she ain't too shy and she ain't too bold
See her comin' better step aside
She's my blue jean baby with big green eyes

My blue jean baby's got long brown hair
When the boys see her they just stop and stare
Just to see a flash of that winnin' smile
Well a country boy would walk a country mile
Got no worries, she ain't got no cares
She's my blue jean baby with long brown hair

[Chorus I]

Hey Operator get me 9-1-1
Hear daddy's comin' with his shotgun
Siren's screamin' blue lights everywhere
And the bad boys know there's some tension in the air
Hit the ground runnin' and I don't mean maybe
Well ya' better not mess with blue jean baby

Interlude / Lead Guitar / Slide Guitar

[Verse II]

Yeah, blue jean baby's gotta red mustang
Convertible top and a lotta bling bling
Pat Green's playin' on the radio
Kid Rock's sittin' there waitin' in the hole (cowboy)
She knows she's bound for fortune and fame
She's my blue jean baby with a red mustang

[Chorus II]

Hey Operator get me 9-1-1
Momma's sendin' daddy with his shotgun
She'll be there just backin' him up
In her four-wheel-drive Chevy pickup truck
Momma tells the boys that they gotta be crazy
Cause ya' better not mess with the blue jean baby
