It's a sunny day baby  
Things are goin' my way baby  
Would ya like to go out maybe  
To the Dairy Queen  
Maybe take a little stroll baby  
Down by the swimmin' hole baby  
We could jump right in baby  
Just you and me

My heart is yours baby  
Your heart is mine  
Can't believe you fell for all those  
Crazy pickup lines

Oo wah hoo

I love the way your laughter dances on the wind  
And it's your smile that lets the sun come shinin' in

Oo wah hoo

What a beautiful night darlin'  
You're lookin' so right darlin'  
Why don't we stay home darlin'  
And watch TV  
Cuddle up on the rug maybe  
We can get real snug baby  
Like a couple of bugs baby  
Sounds fun to me

Your love's so sweet darlin'  
I don't understand  
How life has made me  
Such a lucky man

Oo wah hoo

I love the way your eyes shine in candlelight  
And it's much more than just a candle burnin' tonight

Oo wah hoo

It's a sunny day baby  
Things are goin' my way baby  
Would you like to go out maybe  
Just you and me
