[Verse 1]

I can't stop checking my phone.
Cause maybe you called, maybe you called.
I play cool but, everyone knows,
I'm falling falling, falling falling.

[Bridge:]

My friends are gonna cloud me,
They gonna tell everyone that I'm whipped whipped
whipped, whipped whipped whipped.
But I don't even care cause,
You make feel like I'm the shit shit shit, shit shit shit.

[Chorus:]

So here's another love song, woahhh.
Here's another love song, woahhh.
Here's another love song, but this one, this one's about
you.
So here's another love song, woahhh.
Here's another love song, woahhh.
Here's another love song, but this one, this one's about
you.

[Verse 2:]

I know I'm moving to fast,
But I can't help myself for tryin to tell myself to slow
down, slow down.
And I feel like I'm 10 years old,
But there's nothing I can do to stop thinking about you,
I'm falling in love and I'm proud.

[Bridge]

[Chorus]

[Verse 3:]

My baby,
I wrote this for you. Yeahhhhh.
So maybe,
You'd be driving in the car, turn on the radio, then
hearing my voice come through like blahhhhh.

[Chorus]
