[Chorus:]

Passed out waiting for your rescue
Last night had me in the best mood
You say had a conversation
All I remember is

My friends taking my cell phone
And drunk dialed Miley Cyrus
I don't know what they said to her
She's rich, she'll go over it
Hello strange lady ooh
I'm not sure if we banged ooh
You look fine in the sunlight... ooh
Please don't ask me your name
All I remember is

[Chorus (x2)]

Passed out waiting for your rescue
Last night had me in the best mood
You say had a conversation
All I remember is

You said you were an actress
But I didn't believe you
I guess you need a practice 'cause I didn't believe you
Hello strange lady
I don't know if we banged
You look fine in the sunlight... ooh
Please don't ask me your name
All I remember is

[Chorus (x2)]

Passed out waiting for your rescue
Last night had me in the best mood
You say had a conversation
All I remember is

Red cups, red cups
All I remember is

[Chorus (x2)]

Passed out waiting for your rescue

Last night had me in the best mood
You say had a conversation
All I remember is
