[3OH!3]

Black dress with the tights underneath,

[Kid Cudi]

I've been feeling some type of way about her

Wanna wife her

Borderline I dont really like her

Cause she like to play around and she know she got it

In turn and make a kid not really want it

A bad bitch who know she a bad bitch

Worst type in the world if you ask me

Worst thing in the world is emotions

So I'm sitting here trying to go through the motion

Get along but it would be better if we boned

You dont understand, I dont need you honey

I beat my dick like I don't need money

She get around probably fuck yo homie

She text me then she probably gonna text drake

Cause it be the ones man, with the pretty face

I guess it be the moon man who cracked the case

[3OH!3]

She wants to touch me (Woah),

She wants to love me (Woah),

She'll never leave me (Woah, woah, oh, oh),

Don't trust a ho,

Never trust a ho,

Won't trust a ho,

Won't trust me.

She wants to touch me (Woah),

She wants to love me (Woah),

She'll never leave me (Woah, woah, oh, oh),

Don't trust a ho,

Never trust a ho,

Won't trust a ho,

Won't trust me.

[Mike Posner]

Shes a freshman, with a cup in her hand

She tries her best to pretend she doesnt know who I am  
Her and her bestfriend, I seen em pull up they skirts  
They got a wagger to see who can hook up with me first  
The threesome, like you aint done it before  
Oh youre a good girl, from high in his port  
Well tell your boyfriend, if he even exists  
He shouldnt trust you, because I'm stealing his bitch

[Kid Cudi]  
Hey hater, sign language  
Middle finger, middle finger  
Let me tell you now  
Intergalactical  
I see them rockin the pole  
I see them 3 0 4
