I'm not f****n you less i'm drunk as you. That'd be my excuse. I can tell my crew cuz the bodies right but the face is wrong so they gon climb on me all night long.

So I take a shot, take another shot Never drink enough till the face is hot Till I can't no more.(?) Sayin baby let me take you home.

I'm not f****n you less i'm drunk as you. See I want a ten but you're just a two. So lets keep it low, keep a secret code so everybody else don't have to know..

That I'm f***ed up now, I'm f***ed up now. I said I'm f***ed up now, I'm f***ed up now. She don't look ugly now cuz I'm f***ed up now. That might sound f***ed up now o well.

I'm not f****n you less i'm drunk as you That way i'll know why I woke up with you. Need to find a girl that'll do me here. Ain't performin night, got no groupies here. Cuz I ain't famous yet, but I will be soon. If you come with me then you will be too. How many songs do I need before I finally get hoes? Who knows. Who knows.

I'm not f****n you less i'm drunk as you. Mr. Bartender better bring his too. And keep my glass full, to the tipy top, till this girl right here, looks like Megan Fox.

Yeah I'm f***ed up now, i'm f***ed up now. I said I'm f***ed up now, i'm f***ed up now. She don't look ugly now cuz I'm f***ed up now. That might sound f***ed up now. O Well.

And keep my auto toon on, my auto toon on. Keep my auto toon on, my auto toon on. Don't turn that s**t off cuz I sound like s**t. Don't turn that s**t off.. Man what'd I just say? Damn.
