Yeah, alright

Hey Cupid
(Hey Cupid)
Do I look stupid?
(Do I look stupid?)
I'm not going to fall for none of yo' tricks no more
Your arrow won't pierce my skin no more

Hey Cupid
(Hey Cupid)
Do I look stupid?
(Do I look stupid?)
I'm not going to fall for none of yo' tricks no more
Your arrow won't pierce my skin no more

Do you remember Mary?
The one you made me wanna marry
I tried to get into her sex life
But she said I was the friend type

Do you remember Katie?
'Cause you made her drive me crazy
I gave her all of my affection
Then she left me for my best friend

Now you keep shooting your arrow
You keep giving my love away
But I don't see why you don't let me be
I don't want to play yo' game

Hey Cupid
(Hey Cupid)
Do I look stupid?
(Do I look stupid?)
I'm not going to fall for none of yo' tricks no more
Your arrow won't pierce my skin no more

Hey Cupid
(Hey Cupid)
Do I look stupid?
(Do I look stupid?)

I'm not going to fall for none of yo' tricks no more
Your arrow won't pierce my skin no more

Do you remember Rachel?
You made her look like such an angel
She told me I would be her first guy
That was just her first lie

Do you remember Ashley?
The one that only dated athletes
I tried to kiss her in my back seat
Yo, she turned away and slapped me

Now you keep shooting your arrow
You keep giving my love away
But I don't see why you don't let me be
I don't want to play yo' game

I wonder if you even remember
How you gave away my love
Super glued my heart back together now
Back the way it was

I wonder if you even remember
How you gave away my love
Super glued my heart back together now

Hey Cupid
(Hey Cupid)
Do I look stupid?
(Do I look stupid?)
I'm not going to fall for none of yo' tricks no more
Your arrow won't pierce my skin no more

Hey Cupid
(Cupid)
Do I look stupid?
(Do I look stupid?)
I'm not going to fall for none of yo' tricks no more
Your arrow won't pierce my skin no more
No more
