"Mirror's Edge"

(feat. Bun B, GLC, XV)

[Chorus:]

It feels like I'm running on walls
And I don't want to touch the ground.
If they say that I'm lost,
Then I don't want to be found.
It feels like I'm running on walls
And I don't want to touch to the ground.
If they say that I'm lost,
Then I don't want to be found.
I'm on mirrors edge.

[Verse:]

It's a getting green, but I can't wake up.
Sitting in a bank, but I can't take up.
Don't want my girl, but I can't break up.
Cuz my every day life, I don't want to shake up.
Feel the earth wake up,
Wont stay still.
Haters all around, but I wont stay trill.
All up in my face trying to show their skill.
Say they don't love, but I know they will
Before the show is over and the lights go out.
After I rec on the mic show out.
Married to the mob, so wives throw out.
Game all over that's right blow out
What you know about getting raise
We'd done thought of life fifteen ways
So blaze up the end oh
While I'm sitting on the ceiling with the j's on the
window.

[Chorus:]

It feels like I'm running on walls
And I don't want to touch the ground.
If they say that I'm lost,
Then I don't want to be found.
It feels like I'm running on walls
And I don't want to touch to the ground.
If they say that I'm lost,

Then I don't want to be found.
I'm on mirrors edge.

[Verse:]

Escalade, get paid,
Nigga had to learn from mistakes I made.
Dad couldn't teach me he was layin in grave.
I didn't look der
Hope God forgave.
Now tell momma I'm on my way
Tell me where she be her best.
Got me out the hood, I recess.
I smoke a lil weed to relieve my stress.
Stackin 'em, makin out to perfect.
I got a new cadi out of my first bitch, persist.
Lil purple,
Seven in the alley, I took that risk.
Runnin in a circle,
Runnin out of town,
South side nigga just wanna flip me.

Rich mothafucker thats all that is,
I survived that now I feel like this.

[Chorus:]

It feels like I'm running on walls
And I don't want to touch the ground.
If they say that I'm lost,
Then I don't want to be found.
It feels like I'm running on walls
And I don't want to touch to the ground.
If they say that I'm lost,
Then I don't want to be found.
I'm on mirrors edge.

[Bridge:]

Looking out the window at another city's lights
Trying to make it home on another lonely flight
Because I'm runnin, runnin trying to my way
But there's nothing, nothing, noting
I can say to find you on theses day.

[Verse:]

Mirrors on my walls
In my new apartment.
I never touch the floor,
I'm like a lattice carpet.
I'm feeling like a star,
But I'm remaining careless.
Cuz I can run on walls like I am Lucy Ballise.
They be saying I'm the next

And I'm just hoping that is true.
I took my number got in line
Just hoping I ain't number two.
So, you ask how I feel. I'm fine.
You ask about the deal in time
Cuz the boy from Kansas ran on the ground
On enough now..

[Chorus:]

It feels like I'm running on walls (yeah)
And I don't want to touch the ground.
I don't want to touch the ground
(that's what it is and that's what it will be)
If they say that I'm lost,
Then I don't want to be found.
Don't wanna find me, don't find me
It feels like I'm running on walls
And I don't want to touch to the ground. (alright,
alright)
If they say that I'm lost,
Then I don't want to be found.
I'm on mirrors edge.
I'm on mirrors edge.
I'm on mirrors edge.
I'm on mirrors edge.
