[Verse 1]

She packed my bags last night, pre-flight  
Zero hour, 9 AM.  
And I'm gonna be high  
As a kite by then  
(WOOOH!)  
I miss the earth so much, I miss my wife  
It's lonely out in space  
On such a timeless flight  
But nobody home calling my name

[Chorus]

I think it's gonna be a long, long time  
Till touchdown brings me round again to find  
I'm not the man they think I am at home  
Oh No Noooo No

I'm a Rocket Man  
Eh, eh, I'm a Rocket Man

[Verse 2]

And all this science, I don't understand  
That's just my job five days a week  
You don't wanna be high  
High like me

[Chorus]

I think it's gonna be a long, long time  
Till touchdown brings me round again to find  
I'm not the man they think I am at home  
Oh No Noooo No

I'm a Rocket Man  
Eh, eh, I'm a Rocket Man (Oooooohoh)  
Yea, I'm a Rocket Man (Oooooohoo)  
I'm a Rocket Man

[Verse 3] [Bun B]

Houston we got some problems (Problems)  
Don't know how ya boy gon' solve 'em (Solve 'em)  
The command center just won't link  
And the Com Stats down, I don't know what to think

(Think)

Happened in a blink sorta like the Big Bang  
How could somethin' so small turn into a big thang  
One small move turned into a big change  
No bass, no treble, all mid-range  
And it seems so strange but it all makes sense  
My back against the wall and I'm behind the fence  
Situations always get so tense  
And I just want us to still be friends  
But we just argue, fuss and fight  
And we scream and yell and we cuss all night  
And it seems that we always so uptight  
Think that it's time that I book this flight  
Took out my mic but I feel so weak  
So much to say but I just can't speak  
Gotta be done but it kill me to do it  
Came as surprise but we always knew it  
So I'm takin' this trip, no plane, no car  
Might be close, and it might be far  
But later than soon, when you lookin' at the moon  
I'll be next to it shinin' like a star

[Chorus]

I think it's gonna be a long, long time  
Till touchdown brings me round again to find  
I'm not the man they think I am at home  
Oh No Noooo No

I'm a Rocket Man
