There's a fire starting in my heart  
Reaching a fever pitch, it's bringing me out the dark  
Finally I can see you crystal clear  
Go head and sell me out and I'll lay your shit bare  
See how I leave with every piece of you  
Don't underestimate the things that I will do  
There's a fire starting in my heart  
Reaching a fever bitch  
And its bring me out the dark  
The scars of your love remind me of us  
They keep me thinking that we almost had it all  
The scars of your love they leave me breathless  
I can't help feeling  
We could have had it all  
Rolling in the deep  
You had my heart and soul  
And you played it  
To the beat

[Mike Poser Scatting]

Baby I have no story to be told  
But I've heard one of you  
And I'm gonna make your head burn  
Think of me in the depths of your despair  
Making a home down there

It Reminds you of the home we shared  
The scars of your love remind me of us  
They keep me thinking that we almost had it all  
The scars of your love they leave me breathless  
I can't help feeling  
We could have had it all  
Rolling in the deep  
You had my heart and soul  
And you played it  
To the beat  
Throw your soul through every open door  
Count your blessings to find what you look for  
Turned my sorrow into treasured gold  
You pay me back in kind and reap just what you sow  
We could have had it all

We could have had it all  
It all, it all it all,  
We could have had it all  
Rolling in the deep  
You had my heart and soul  
And you played it  
To the beat
