I don't know you'r name.
You don't remember mine. Do You ?
How much did we drank ?
Is this cup even mine ? Who knew.

That me and you
would be popping these bottles full of,
gray gools.
So you say you'r a model baby me too,
You have another smile cuz,
Tonight we don't even care.

Im single and drunk,
Im single and drunk,
Im single and drunk,
Im single and drunk,

Sing sing drunk
Sing drunk
Sing sing drunk
(Hey its your little boy lil john!)
(Get crunked with the f**ken dream crew baby)
(Yeah!)
(hey chris & fit, lets do it!)

Move outa my way,
not waiting in line,
screw you,
Lets drink another drank,

-

Who knew,
That me and you
would be popping these bottles full of,
gray gools.
So you say you'r a model baby me too,
You have another smile cuz,
Tonight we don't even care.

Im single and drunk,
Im single and drunk,
Im single and drunk,
Im single and drunk,

Sing sing drunk
Sing drunk
Sing sing drunk
