Chorus:

I ride for my people, dog
I ride for my people
I ride for my people, dog
I ride for my people
And I stay schemin'
Dudes try to hate on me, all right!
And I stay schemin'
Haters try to hate at me,

Damn, life's too short
Fuck it, I don't wanna go to court
Fuck it, cut a budget for the lawyer, though
Fuck it, im on the run for the month
I'm in the bucket, paid 200 for it
My little cuffs dragging, even got me paranoid
I'm getting moneyâ€¦!
Double M got G's up in california

Chorus:

I ride for my people, dog
I ride for my people
I ride for my people, dog
I ride for my people
And I stay schemin'
Dudes try to hate at me, all right!
And I stay schemin'
Haters try to get at me, all right!

It bothers me when the gods get the acting like the
broads
Cause every team does it, come complete like ours
That's why I feel no need to compete with people like
you
I just ask when you see me speak up this song
Don't be ducking like you never wanted nothing
And it's feeling like rap changed, there was a time
where it was rugged
back when a dude reached it was for the weapon now
adays dudes reach to sell a record
Spaghetti bolognese in a polo lounge me and my Gs
from DC is how I roll around

Might look like but we're heavy though
You think drake will put some shit like that? you never
know
Million dollars meetings in the polo lounge
Me and my man oliver north how to roll around
Shawty want to tell me secrets, about a rap dude
I told the bitch is more attractive if you hold it down
Koby about to lose a hundred fifty M's
Koby my dude I hated to be him,
Bitch you wasn't with me, shooting in the gym
Bitch you wasn't with me, shooting in the gym

Chorus: (x2)
I ride for my people, dog
I ride for my people
I ride for my people, dog
I ride for my people
And I stay schemin'
Haters try to hate at me, all right!
And I stay schemin'
Haters try to hate at me,
