What's the problem now?
Wanna have you now
Let me hold you tight
All day long

Wanna kiss you now
Gonna tell you this
Let me take you tight
All day long

It's just a story
When you tell me
That you love me
It's just a story
Wanna have you...
Now!

Let me hold you tight
All day long
Let me take you tight
All day long

Make you feel so right
Wanna show you now
Let me hold you tight
All day long

Wanna kiss you now
Gonna tell you this
Let me take you tight
All day long

It's just a story
And you know the story
Don't you?
It's just a story
Can't you see?

It's just a story
And you know the story
Don't you?
Moving tonight...
