When the day is weary  
All the things that we have said  
Take on a different meaning  
Now the world has gone to bed  
I need to feel you near me  
Put your arms around me now  
And we will stay together  
Watch the world go by somehow

It's a dream I thought we might have had  
But it's too late, I'm losing you

Hideaway, till the night comes back to me  
Hideaway, until the sun comes up again  
I will hideaway, till your love comes back to me  
Hideaway, until somebody sets me free  
You never, oh never know

When the streets are empty  
Not a soul is to be found  
And the wind around us  
Covers every other sound  
As you turn the corner  
See my light up on the hill  
All I'll ever ask you  
Is you'll stay with me until

It's a dream I thought we might have had  
But it's too late, I'm losing you

Hideaway, till the night comes back to me  
Hideaway, until the sun comes back to me  
Hideaway, till your love comes back to me  
Hideaway, until somebody sets me free  
You never, oh never know  
Until darling, nothing left to show

Hideaway, till the night comes back to me  
Hideaway, until the sun comes up again  
Until somebody, hideaway  
And your love comes back, comes back to me  
Hideaway, until somebody sets me free

Until somebody, yeah, oh never know  
'til darling...
