If I could make you happy
Not only make you sad
I'd fill your eyes with love again
And wipe your tears away

If I could change the reason
I'd change it just for you
If I could see inside my heart
You bet I would

And now that your tears are falling
We're standing apart
So far from the way we started
I don't know if I can go on

I don't know if I want
'cause I don't believe anymore
'cause my heart just try just a little bit more
No, I don't believe anymore, anymore

If I could give you heaven
And all that you deserve
You bet I'd do it here and now
To see your smile again
