I've got a vendetta  
I'm still breathing  
I'm still alive  
You tried to ruin me  
To crucify  
Now you see me  
And you piss yourself  
you know  
I'm not like everyone else  
That you trampled  
Along the way  
I'm still standing  
And I'm in your face  
I've got a vendetta  
It burns in my veins  
It's sweet revenge  
When I see your pain  
Now you see me  
And you piss yourself  
you know  
I'm not like everyone else  
That you trampled  
Along the way  
I'm still standing  
And I'm in your face  
I've got a vendetta  
It's not a physical attack  
But with every breath  
I get you back  
I've got a vendetta  
It gets me through  
I keep on living  
In spite of you  
So many knives have been stuck in my back  
It use to hurt but now I just laugh  
So many people have walked through my door  
So many people have shit on my floor  
So many times I pulled out the knives  
I've shoveled the shit and got on with my life  
So many killers lying in wait  
So many haters so filled with hate  
I'm still breathing

I'm still alive  
You tried to ruin me  
To crucify  
Now you see me  
And you piss yourself  
you know  
I'm not like everyone else  
That you trampled  
Along the way  
I'm still standing  
And I'm in your face  
I've got a vendetta
