I could write a love song
Tell You what I think you wanna hear
But it wouldnt be good enough, no
Yeah, I could try so hard
To give it everything I got
But Im not ever gonna measure up

All I can do is thank You
For this life I never deserve
Wanna thank You for the grace
I know I dont have to earn
You love me, You love me
Your mercy is proof
All I can do is say thank You
All I can do is say thank You

It would have been easy
But Im glad You never walked away
Cause Your love runs deep for me
And I see this beautiful world
And it brings tears to my eyes
And I think its beautiful to be free

All I can do is thank You
For this life I never deserve
Thank You for the grace
I know I dont have to earn
You love me, You love me
Your mercy is proof
All I can do is say thank You
All I can do is say thank You

Thank You for hope, for love
For all the ways You move
Thank you gor everything You do
What else can I say but thank You?
Thank you

I could write a love song
Tell You what I think you wanna hear
But it wouldnt be good enough

All I can do is thank You
For this life I never deserve
Wanna thank You for the grace
I know I dont have to earn
You love me, You love me
Your mercy is proof
All I can do is say thank You
All I can do is say thank You
