Ignite a heart that's burning for You  
Come change my point of view  
And draw me closer, draw me closer

Revive a soul that's yearning for You  
Filled with passion for Your truth  
It's pouring over, pouring over

We're coming alive  
We're coming alive with our hands in the sky  
Then our voices unite singing whoa, oh  
Can you hear us tonight with the fire inside  
Let our blazes ignite, singing whoa, oh, oh  
Whoa, oh, oh, oh

Refine the plans I made for my life  
The dreams I've kept inside  
I give them over, give them over

To start over again with everything I am  
I'm reaching for Your hand  
I'm desperate for You, desperate for You

We're coming alive  
We're coming alive with our hands in the sky  
When our voices unite singing whoa, oh  
Can you hear us tonight with a fire inside  
Let our blazes ignite, singing whoa, oh, oh  
Whoa, oh, oh, oh

Ignite my heart, come draw me close  
Revive my soul until it's pouring over  
Refine my mind  
Refine my life

We're coming alive  
And can You hear us tonight?

We're coming alive with our hands in the sky  
When our voices unite singing whoa, oh  
Can You hear us tonight with a fire inside

Let our blazes ignite, singing whoa, oh, oh

We're coming alive with our hands in the sky  
Then our voices unite singing whoa, oh  
Can You hear us tonight with a fire inside  
Let our blazes ignite, singing whoa, oh, oh  
Whoa, oh, oh, oh
