Verse 1:

You've been hurt, and you're jaded
You're telling me that your faith is fading fast
You wonder what it's even worth
You've got doubts, and I get it
'Cause I've been in the place you're livin'
Scared that love will only get you burned

Chorus:

Don't quit on Love 'cause you're broken
Don't quit on hope
You're not hopeless
You know the sun will rise again
This is not the end
I know this complicated world gets you down, but don't
give up
Don't give up
Don't quit on Love
'Cause love
Won't quit on us
Love
Won't quit on us

Verse 2:

He's felt what you're feelin'
Feelin' like you'll only be defeated if you choose to let
Him in this time
But do you really wanna have control, when
everything's tellin' you to let
It go and give Him
Your plans
Your dreams
Your life

Chorus:

Don't quit on Love 'cause you're broken
Don't quit on hope
You're not hopeless
You know the sun will rise again
This is not the end
I know this complicated world gets you down, but don't

give up
Don't give up
Don't quit on Love
'Cause Love
Won't quit on us
Love
Won't quit on us

Bridge:
Hold on
Hold on
Be strong
Hope is coming for you
Hold on
Hold on
Don't stop believing
Don't quit on Love 'cause He won't quit on you

Chorus:
Don't quit on Love 'cause you're broken
Don't quit on hope
You're not hopeless
You know the sun will rise again
This is not the end
I know this complicated world gets you down, but don't
give up
Don't give up
Don't quit on Love
'Cause Love
Won't quit on us
Love
Won't quit on us
