[Chorus:]

With a little bit of gold and a pager [Repeated]

Cool Kids

Cool Kids

Yup!

Uh...

Pedal down the foothills wheelies on the front (for real
chuck?)

Not for play homebro I made those in those

I skate those in these

I take dough and wear em like I made those even if I
don't cuzzo

I'll take those like dat (Uh)

Put em in my napsack snap the top latch

Fo' finger ring on my belt buckle strap

Gotta hold up my jeans cause they fallin off my ass

Then you gotta check these nikes at the bottom of my
pants

Then you gotta check my hip cause my beepers on
blast

Just got it activated

You ain even gotta ask

So if my phones off you can page my ass

So I guess what is is I'm who I is

N I'm well aware a gold ropes what I wear

And they're big and they hang and they swang here to
there

And I'm here...

[Chorus:]

With a little bit of gold and a pager [Repeated and
Mixed up]

Who we are?

Mikey Rocks

I'm graduate of Cooley High

The last day of school threw my hat in the air with a
new pair of shoes with the gum sole

Posed for the class picture

And I flicked like a glass fixture
When the tip of your finger hits the switch
Soo...
With a little bit uh Gold (gold)
Motorola Pager
Fresh haircut clean shave with the razor
It's a sickness but god is my witness
Blessed with this gift since the day before christmas
I'm tryin
I am
Nice with the science on how to stay king of the jungle
jus like lions
I gotta stay humble and move jus like a bumble bee
Can't let your ingreat struggle me (no)
So please no stees bitin
I'm just a teenager...

[Chorus:]

With a little bit of gold and a pager [repeated and
mixed up throught end of song]
