Woah-Oh-Oh, Woah- Oh- Ohhhh.

Under Attack from those around me, fallling asleep oh so quickly..

I dream of a time when I was home,

A wasted night, a ways to go

What would it take to make you love me?

What would it take to make you see?

the nights they start to blend together,

out here on the open road.

Tonight when i wish I'll wish for you.

We gave you everything, and you threw it all away..

then I left my home, and all i know and you forgot me.

But you make my heart race, and I don't know what to do

cuz I'm lost in love..Yes I'm lost in love with you.

So unpack your bags, one more time

so we never have to do this again

explaining to every one why we are just friends,

I question my own sanity, can't even decide whats best for me.

I hope you know its not personal, this is just something i must do on my own.

Tonight when i wish I'll wish for you.

We gave you everything, and you threw it all away..

then I left my home, and all i know and you forgot me.

But you make my heart race, and I don't know what to
do

cuz I'm lost in love..Yes I'm lost in love with you.
