Oh, Miki, holler round and go on and come by on the
boy there (yeah, yeah, that boy there)
Oh, Miki, shoot the star, take him by the hand and go
on by (yeah, yeah, go on by)

Yeah, yeah, Oh, Miki, that girl is in me,
'Cuz I know that I am that girl.
Yeah, yeah, go rockin',
Yeah, yeah, go rockin'

Oh, Miki, holler round and go on and come by on that
boy there (yeah, yeah, that boy there)
Oh, Miki, shoot the star, take him by the hand and go
on by (yeah, yeah, go on by)

Oh, Miki, it's unclear, nuclear, and so not clear,
Tell me what you do to make it clear, clear, clear.
Oh, Miki, your sister is on fire,
Tell me what to do, Miki.

Yeah, just tell me what to do, Miki!
