There are times when I feel good, now babe
There are times when I know I should, oh darlin
There are ones that I wanna do
But ain't nobody like you
Nobody
I've been watching you for so long, now babe
In my heart I'm feeling so strong for you babe
And I hope you feel it too
Cauz ain't nobody like you
And you know it babe

I've been up and I've been down
I've had my feet swept off the ground
By somebody who just picked me up and threw me
away
(Yeah)
I've been rich and I've been poor
I've had boys in and out my door
But I know you're the only
You're the only one for me

There'll be times when you wanna go, now baby
There'll be times when I wanna keep moving on
But not this time gonna see it through
Cauz ain't nobody like you
You know it babe, you know it, you know it
I been around the world a few times (Ohh, babe)
I have searched but I could not find my darling
Always in the field of view
Cauz there's nobody like you
And you know it baby
(Ooh)

I've been up and I've been down
I've had my feet swept off the ground
By somebody who just picked me up and threw me
away
Oh yes, yes they did now
I've been rich and I've been poor
I've had boys in and out my door
But I know you're the only, really the only one for me
So good to me

Ain't nobody like you
You know it babe
Sometimes I need your loving
Sometimes I need your care
So come put your arms around me
To show me that you'll be there
I said all that I'm trying to tell you is baby
Ain't nobody like you
And you know it babe

I said
Ain't nobody, Ain't nobody
Ain't nobody, ain't nobody like you
Ain't nobody, Ain't nobody
Ain't nobody, Ain't nobody like you
Nobody, nobody
Ain't nobody like you baby, like you babe
Nobody, you know it babe
Love you babe
I've been up and I've been down
I've had my feet swept off the ground
By somebody who just picked me up and threw me
away
(Ooh)
Ain't nobody, ain't nobody
Ain't nobody like you
Ain't nobody, ain't nobody
Nobody can love me like you do
Ain't nobody, Ain't nobody
You know that you're good to me
Ain't nobody, ain't nobody like you
Ain't nobody, ain't nobody
You know that you're better than me
Ain't nobody like you
