"Love Under New Management"

Oh, yeah  
Ooh...ooh...

Experience is a good teacher  
It takes someone like me to know  
All the little games people tend to play  
Some call it love  
It never has a chance to grow

"You deserve somethin' better," I kept tellin' myself  
Just be patient, true love you'll find  
I finally found someone who become my friend  
And in a matter of time  
Real love stepped in

The closed sign on your door  
I had to tear it down  
A new world of happiness  
Turned me completely around

(I'm in love under new management) I'm in love under  
new management  
(I'm in love under new management) Hey...yeah...  
(Someone very special came into my life) Nobody,  
nobody  
(Can take his place) Can take his place  
He filled my empty space

There's nothin' like someone who can take care of  
business  
You know we treat each other so well  
And back together came off a little easy  
It's time to celebrate  
You see, I never thought I could

The closed sign on my door  
I had to tear it down  
A new world of happiness  
Turned me completely around

(I'm in love under new management) I'm in love under  
new management  
(I'm in love under new management)  
Hey...yeah...hey, hey, somebody, somebody very  
special  
(Someone very special came into my life) And I want  
you to know nobody, nobody, nobody  
(Can take his place) Can take his place, oh...oh...  
(He filled my empty space) He filled my empty space

(I'm in love under new management) I'm in love under  
new management  
(I'm in love under new management)  
Woo...hoo...hoo...somebody very special  
(Someone very special came into my life) I don't  
believe nobody  
(Can take his place) Can take his place  
(He filled my empty space) Oh...ho...

(I'm in love, doo doo doo) Ooh...ooh...whoa...ooh...  
(Doo doo doo doo doo doo doo doo doo doo)  
Hey, girls, can I talk to you for a minute  
I know you'll understand  
You see, I was in love with this guy  
That really wasn't worth my time of day, uh-uh  
But you know when you're in love, can't nobody tell you  
nothin'  
So I just kept on waiting and waiting  
Hoping he'd (Fill up) All the empty spaces in my life,  
oh...oh...  
(Doo doo doo doo doo doo doo doo doo doo)  
Everybody tried to tell me 'bout him  
But you know it's nothin' like leadin a blind horse to a  
pasture  
You see, they could smell the grass, but they just don't  
know their way to it, uh-uh  
But girl, just when I was about ready to throw my hands  
and (Give up)  
On love, hoo...hoo...hoo...hoo...hoo...  
Real love walked in, girls  
I'm talkin' about the kind you can hold on to in the  
middle of the night, yeah, yeah  
It seems like he turned my entire life around  
And I'm through with all those old love games  
And some guys messin' around with so many girls I  
can't even name  
You see, I-I knew a happiness burns me completely love

(I'm in love under new management) I'm in love under  
new management

(I'm in love under new management) I'm in love, I'm in  
love, I'm in love  
(I'm in love under new, love under new) Under new  
(Management) management  
(I'm in love under new, love under new management)  
Somebody every special

(I'm in love under new management) If it happened to  
me it can happen to you, yeah, yeah  
(I'm in love under new management) I'm in love under  
new management  
(I'm in love under new, love under new) Yes, I am  
(Management)
