A flower grows
For every drop of rain that falls
It can be close
Somewhere in the darkest nights

For everyone who goes astray
And someone will come to show the way
I believe

We're still be hurt
There's someone in the great somewhere
Hears every word (every time)
In a year a newborn babe cry

Or touch on the laugh on look at the sky
Oh baby I know why, yes I know why

REFRAIN:

I - I - I
Love me this way
I believe in your faith (I believe)
I know why I want to stay
On the dock of the bay (I believe)

I - I - I
Heaven can't wait
I believe in your nights (I believe)
Take my hands, I want to stay
On the dock of the bay (I believe)

A flower grows
For every drop of rain that falls
It can be close
Somewhere in the darkest nights

For everyone who goes astray
And someone will come to show the way

I - I - I
Love me this way
I believe in your faith (I believe)
I know why I want to stay

On the dock of the bay (I believe)

I - I - I

Heaven can't wait

I believe in your nights (I believe)

Take my hands, I want to stay

First of May I will fly (I believe)

I - I - I

Love me this way

I believe in your faith (I believe)

I know why I want to stay

On the dock of the bay (I believe)

I - I - I

Heaven can't wait

I believe in your nights (I believe)

Take my hands, I want to stay
