Pedal down the foot hills  
Wheelies on the front  
P-p-pedal down the foot hills  
Wheelies on the front

[Chuck:]

I got this 89-90, Pistons champ flat  
Bill black starter cap with the hologram tags  
White Mag rims, red rubber tires  
Chain, frame, pegs, grips, ship to my supplier  
Dope man attire, gimme bout an hour  
And I'll have it clicking, ticking, gliding, flying like  
McGuyver  
I'm a Murder Club, dope pedal rider  
Nigel said I'm good to get that ink on my bicep  
I gets, busy as a bee on my bike grips  
If I catwalk this sidewalk, I can fly this  
Bitch and I'm fly, and it's tied to the side  
That's the flag that I'm flying  
Add to the fact that it all coincides with these wheels  
that I'm riding  
3pt Mags make you think that I'm gliding  
... Shiiit nigga I ain't lying  
I got a long rap sheet that'll say that I'm tied in

[Chorus:]

Pedal down the foot hills  
Wheelies on the front  
P-p-pedal down the foot hills  
Wheelies on the front  
I'm on the dyno with the black mags  
Black mags,  
Dyno with the black mags, black mags  
Black mags,  
Dyno with the [repeat]

[Mikey:]

I hit chuck on the pager yo, I'm kinda bored  
Ain't got class til later so, open garage  
And I don't really know which way to go, I ain't tryna  
skate it though  
And my bikes illegal, so they send for the law

But I don't care joe, I just keep on pedalin  
Ride past shorty light skinned with no melanin  
Shirt look like somebody stuffed two melons in  
Had to stop so I could preach like reverend  
I grip on the handbrake and say "What up? "  
I skip on the handshakes, I'm straight. What else?  
I got two pegs on the back,  
And you got two legs under your skirt  
So hop, we head  
To the Dope Pedal Headquarters  
You would be there if you could  
Chuck got the red wheels and the white mags, but it's  
all good  
I got the gold hundred spokes like Boys in the Hood  
With the lime green frame, dollars on the bike seat  
Handlebar grips is the same as my Nikes  
In the mold, the gold I use for my spokes  
And the frame, the same as I use for my chain  
Out!

[Chorus:]

Pedal down the foot hills  
Wheelies on the front  
P-p-pedal down the foot hills  
Wheelies on the front  
I'm on the dyno with the black mags  
Black mags,  
Dyno with the black mags, black mags  
Black mags,  
Dyno with the [repeat]
