Who told you that you can sit with the ...  
Computer weird niggers still can't figure it out, though!  
Got in door, got out door, we clean the clothes, clean...  
Inside ....with the... stereo!  
I dug holes trying to grow my seats,  
I dug... like the back of a scream, man!  
You got designs on the back of your jeans,  
They steam and I'm cold as a...  
Come and fresh out the freezer, I'm ...  
The only third grader in the school would beat me.  
...you took it from me, is funny as...  
Sleepers can't sleep if it's money in the mattress,  
A lot of niggers still sunning from their taxes and bills.  
We will recognize each other, man! Damn!  
Go ahead, I got it harder than the...

Chorus:

Bundle up, bundle up,  
You gotta bundle up!  
Bundle up, bundle up,  
I said you gotta bundle up!  
You said it's gonna be cold today,  
From the city and the frozen lakes!  
Bundle up, bundle up,  
You gotta bundle up!  
They said you gotta bundle up!  
You said it's gonna be cold today,  
From the city and the frozen lakes!

This glass is half full of...  
Brand new audition nigger, I can't ...twice!  
Dose, my dose don't look right!

I came ...that you know  
And I'm not just saying...  
Who can fit what we're carrying in here, we won't!  
Now let me pose for this photo!  
Is me standing out in the snow with my condom right!  
Would that sound appropriate, means I'm getting hot,  
And now giving how cold is been...  
That we're the hottest that you've seen in the minute  
come,

And we ain't going green like global warming!  
But I do get that organic license on me!  
...blowing on California...  
Full shoppers...is calling,  
Lady.... honey with the spoiler, away game white, baby  
blue...  
My.. is Michigan and Metro Detroit,  
...Chicago where I guess it's a little colder.

Chorus:  
Bundle up, bundle up,  
You gotta bundle up!  
Bundle up, bundle up,  
I said you gotta bundle up!  
You said it's gonna be cold today,  
From the city and the frozen lakes!  
Bundle up, bundle up,  
You gotta bundle up!  
They said you gotta bundle up!  
You said it's gonna be cold today,  
From the city and the frozen lakes!
