It's in your eyes
Here we go again
Tonight you're gonna come on strong
Such a cryin' shame, the time we spend
Over who's been right
And who's been wrong
There'll be no pretending this time
Your eyes are like fire
You'll swear it's the end of the line
But you and I, we both know you're liar

CHORUS:

Don't tell me that it's over
Don't tell me that we're through
Don't tell me that it's over
Don't try 'n tell me that it's over
It isn't true
Don't tell me that it's over
'Cause you can't say good-bye, any more
Than I, can walk away from you

Ya say it's hard to love a man like me
But baby now and then
Ya do your fair share so easily
You can push me to my limit
And back again

Just when I can't take anymore
And I've made up my mind
I say I'm ready to walk out the door
But somethin' keeps me from leavin' you behind

CHORUS:

There's a reason why
After we've tried
We're not runnin' to the arms of another

When all comes down
We both know by now
We just still mean too much to each other

Don't tell me, don't tell me
Don't tell me it's over
