[Verse 1: Chuck Inglish]

Let's go

This is what should be playin' in them Jeeps

Swimsuit girls at the pool, beach

Legs in the water get the sand off her feet

In town from L.A., So cold in the D

Went to school in Atlanta, in Chicago for the week

Friends and their friends kickin' in SWAT team

Hot things, hot dames, sunbathe, brastrings

Hotel beach babes, man I lost both keys

Names Chuck Inglish room 313

And it's boomin' scooters, ATVs

Out in the white parasail, jet skis

Watching sexy little spicy mamacitas I see ya

Cash bar only, no need for the Visas

A lot of girls walk around here in bikinis

Ass, hell yeah we do this all day

Hot tub on the boat, rolling joints by the lake

Ay, tell her bring the papers

Twist up the Grape Ape

Down there, from here put your hands in the air

Yeah it's our year great view up here?

And it's looking like I might wanna move around here

[Hook]

Hey! I see you flashing me your tail lights

Babe, we can do anything you feel like (oooh)

No need to contemplate, put on your swimsuit (oooh)

You know I want to babe

To take a swim with you

[Verse 2: Mikey Rocks]

Two straws is pokin' out the coconut,

I gave her a sip (thirsty)

Showboating, now I'm all in the mix

Only toasting purp weed. Degrees in the high 80's

'Fore I even said "Hi ladies"

Said I seen you on Collins, The car you was driving

The lights turned on like eyelids

Then the light turned green

And a scene from Ice Cream Man popped up into my head

When P had the white Lexus, Silkk had the headband  
You and your man's looked like them  
Right then my right hand reached my cell phone  
And I needed her right name to type in  
First name, Mike man, write on the white sand  
That's where you can find me  
I be in the Bahamas  
Your girl wanna chill and I drill when I wanna  
The real on the real nigga, keep it a hundo  
With a Cubano finna Mambo  
You see the trunk from the front like Dumbo  
Good drinks, good view from the condo  
Say that ain't a good combo?

[Hook] x2

Hey! I see you flashing me your tail lights  
Babe, we can do anything you feel like(oooh)  
No need to contemplate, put on your swimsuit(oooh)  
You know I want to babe  
To take a swim with you
