[Chuck Inglish] So I woke up this mornin and as I start yawnin That {milk milk} pourin into my bowl Then I thought to myself {thought thought to myself} That I need to take a trip to the grocery sto' Cause the bread is low, and the chicken I was eating with the mashed potatoes need {a little bit of gold} Oops wrong song lyric, meant a little bit of pepper Step out the crib with the bearclaw slippers Robe tied tight, chest no chest hairs Sto' close at fo' so I gotta get there Cause it's like 3:50 and I'm just waking up And it take five minutes just to get to the front Now I'm standing in long lines - lady with the baby Probably buying some dog food, dog probably crazy On a daily basis my days be like this Cause I got to the register and then the store closed [Chorus] Yo what up man?! If you cool what you do - warm it up then! Can't hold it cause it's hot - put it down then! I left my kids in daycare - pick em up then! I'm tryna buy some new shit - what you tryna spend? All I got is five dollars - so you broke man? I thought I had ten dollars - so you broke then? TV dinner on the counter - warm it up then! Warm it up man! Warm it up then! [Mikey Rocks] Aiyyo come, get some, you little bums I got a lot and you can't get none That ice cream truck just left, if you run you can catch - but it's out cause I got the last one But I got a box of cones that I'm willing to sell I'll sell the ice cream too, two scoops for a bill I could build a sand castle without bringing a pail And go catfish fishing and come up with a whale But but you know what, that was easy as hell Well maybe not the line about me catching a whale But if I did it then it's nothing and I did it as well Probably easy as it is to move slow for a snail Did you know I made this beat with my mouth and a bell? Just a F.Y.I., I'm F-L-Y And for those that can't spell, I'm a pretty swell guy I caught a lot of fish I think I'll have a fish fry [Chorus] Yo what up man?! If you cool what you do - warm it up then! Can't hold it cause it's hot - put it down then! I left my kids in daycare - pick em up then! I'm tryna buy some new shit - what you tryna spend? All I got is five dollars - so you broke man? I thought I had ten dollars - so you broke then? TV dinner on the counter - warm it

up then! Warm it up man! Warm it up then!
