Sometimes I feel so alone.
I call your heart,
But there's no one at home.
Taking a toll on my pride, pride.
I'm reaching out,
But there's no one inside.
You know it doesn't feel right, when I look in your eyes.
I know love is blind, but the heart doesn't lie.
I'll ask one more time, maybe this time you'll try,
So tell me girl what's deep in your heart.

Chorus:

Girl, I care 'bout you.
I'm there for you,
So why don't you care for me,
Like I care 'bout you.

I spend like all of my days, baby,
Trying to sort out just how things got this way.
I thought that we were in love,
But I swear right now I don't know what you want.
I make sure that I give you quality time,
But lately I feel you're not home by this time.
But still I'm gon' try, to give you the love of my life.
In hopes that you, that you will open up your heart.

Girl, I care 'bout you.
I'm there for you,
So why don't you care for me,
Like I care 'bout you.

Sometimes, sometimes I'm not sure that,
I'm all you've got,
Sometimes I'm not sure you love me or not.
One thing that i am certain of,
Girl I care for you,
And the one thing that I want is that you care for me
too.

Girl, I care 'bout you.
I'm there for you,
So why don't you care for me,

Like I care 'bout you.
