Mmmmmmm
Yeah

Sunrise and I lifted my head
Then I smiled at your picture
Sitting next to my bed
Sunset and your feeling okay
Cuz you smile at the letter
That I sent you today
And I, Can't wait till I see you again
And we both say remember when
The band played on the 4th of July
And you hold me on your shoulders way up high

Your still there for me
Wherever there might be
And if an ocean lies between us,
I'll send a message across the sea
But you can sleep tonight
Knowing it's all right
I believe that you will listen to my song
Your with me
You've been here all along
You've been here all along

Back then you walked me to school
Told me to be careful
And to follow the rules
Fast foward and you taught me to drive,
You gave me the keys
And we went for a ride
And I, can't wait till I see you again
And we both day remember when
I'm holding on to moments like that
And I know that your coming back

Your still there for me
Wherever there might be
And if an ocean lies between us,
I'll send a message scross the sea
But you can sleep tonight
Knowing it's all right

I believe that you will listen to my song
Your with me
You've been here all along

All along the way
I keep you in my heart
And in my breath
You'll always be the one who cares the most
Counting down the days
I see you running up
Then I say
I miss you
I miss you

Your still there for me
Wherever there might be
And if an ocean lies between us
I'll send a message across the sea
But you can sleep tonight
Knowing it's alright
I believe that you will listen to my song
Your still there for me
Whatever there might be
And if an ocean lies between us
I'll send a message across the sea
But you can sleep tonight
Knowing it's alright
I believe that you will listen to my song
Your with me
Cuz your with me
You've been here all along
