I know this isn't what I wanted
I never thought it'd come this far
Just thinking back to where we started
And how we lost all that we are
We were young and times were easy
But I could see it's not the same
I'm standing here but you don't see me
Give it all for that to change

I don't want
To lose her
Don't wanna let her go

Chorus:

Standing out in the rain
Need to know if it's over
Cause I will leave you alone
Flooded with all this pain
Knowing that I'll never hold ya
Like I did before the storm

Yeah
Before the storm

[Verse 2]

With every strike of lightening
Comes a memory that lasts
And not a word is left unspoken
As a thunder starts to crash
Maybe I should give up

Chorus:

Standing out in the rain
Need to know if it's over
Cause I will leave you alone
Flooded with all this pain
Knowing that I'll never hold ya
Like I did before the storm

Bridge:

Trying to keep
The light from going in
And the clouds were ripping out my broken heart
They always say
A heart is not a whole
Without the one who gets you through the storm

Chorus:

Standing out in the rain
Knowing that it's really over
Please don't leave me alone
I'm flooded with all this pain
Knowing that I'll never hold ya
Like I did before the storm
Like I did before the storm.
