Oh yea
Come on

You get the limo out front
Hottest styles, every shoe, every color

Yea when your famous it can be kinda fun
It's really you but no one ever discovers

In some ways you're just like all your friends
But on stage you're a star

You get the best of both worlds
Chillin' out, take it slow
Then you rock out the show

You get the best of both worlds
Mix it all together and you know that
It's the best of both worlds
The best of both worlds

You go the movie premiers
(Is that Orlando Bloom?)
Hear your songs on the radio
Livin' two lives is a little weird
But school's cool cuz nobody knows

Yea you get to be a small town girl
But big time when you play your guitar

You get the best of both worlds
Chillin' out take it slow
Then you rock out the show

You get the best of both worlds
Mix it all together and you know that
It's the best of both
You know the best of both worlds

Pictures and autographs
You get your face in all the magazines
The best part's that

You get to be who ever you wanna be

Yea best of both
You get the best of both
Come on, best of both

Who would of thought that a girl like me
Would double as a superstar?

You get the best of both worlds
Chillin' out, take it slow
Then you rock out the show

You get the best of both worlds
Mix it all together and you know that
It's the best

You get the best of both worlds
Without the shades and the hair
You can go anywhere

You get the best of both girls
Mix it all together
Oh yea
It's so much better cuz you know
You've got the best of both worlds
